1

Model Excellence

IN

PROGRESSIVE

Elementary Education

- Exemplify best practices in progressive education.
- Develop and retain exceptional teachers.

- Participate in educational research, training, and knowledge - building locally, provincially, nationally, globally.

2

BUILD

Community

- Develop a marketing & communications plan that extends our reach.

- Engage the larger community through mutually beneficial community partnerships.

- Build a culture of philanthropy and changemaking.

3

AMPLIFY LEARNING

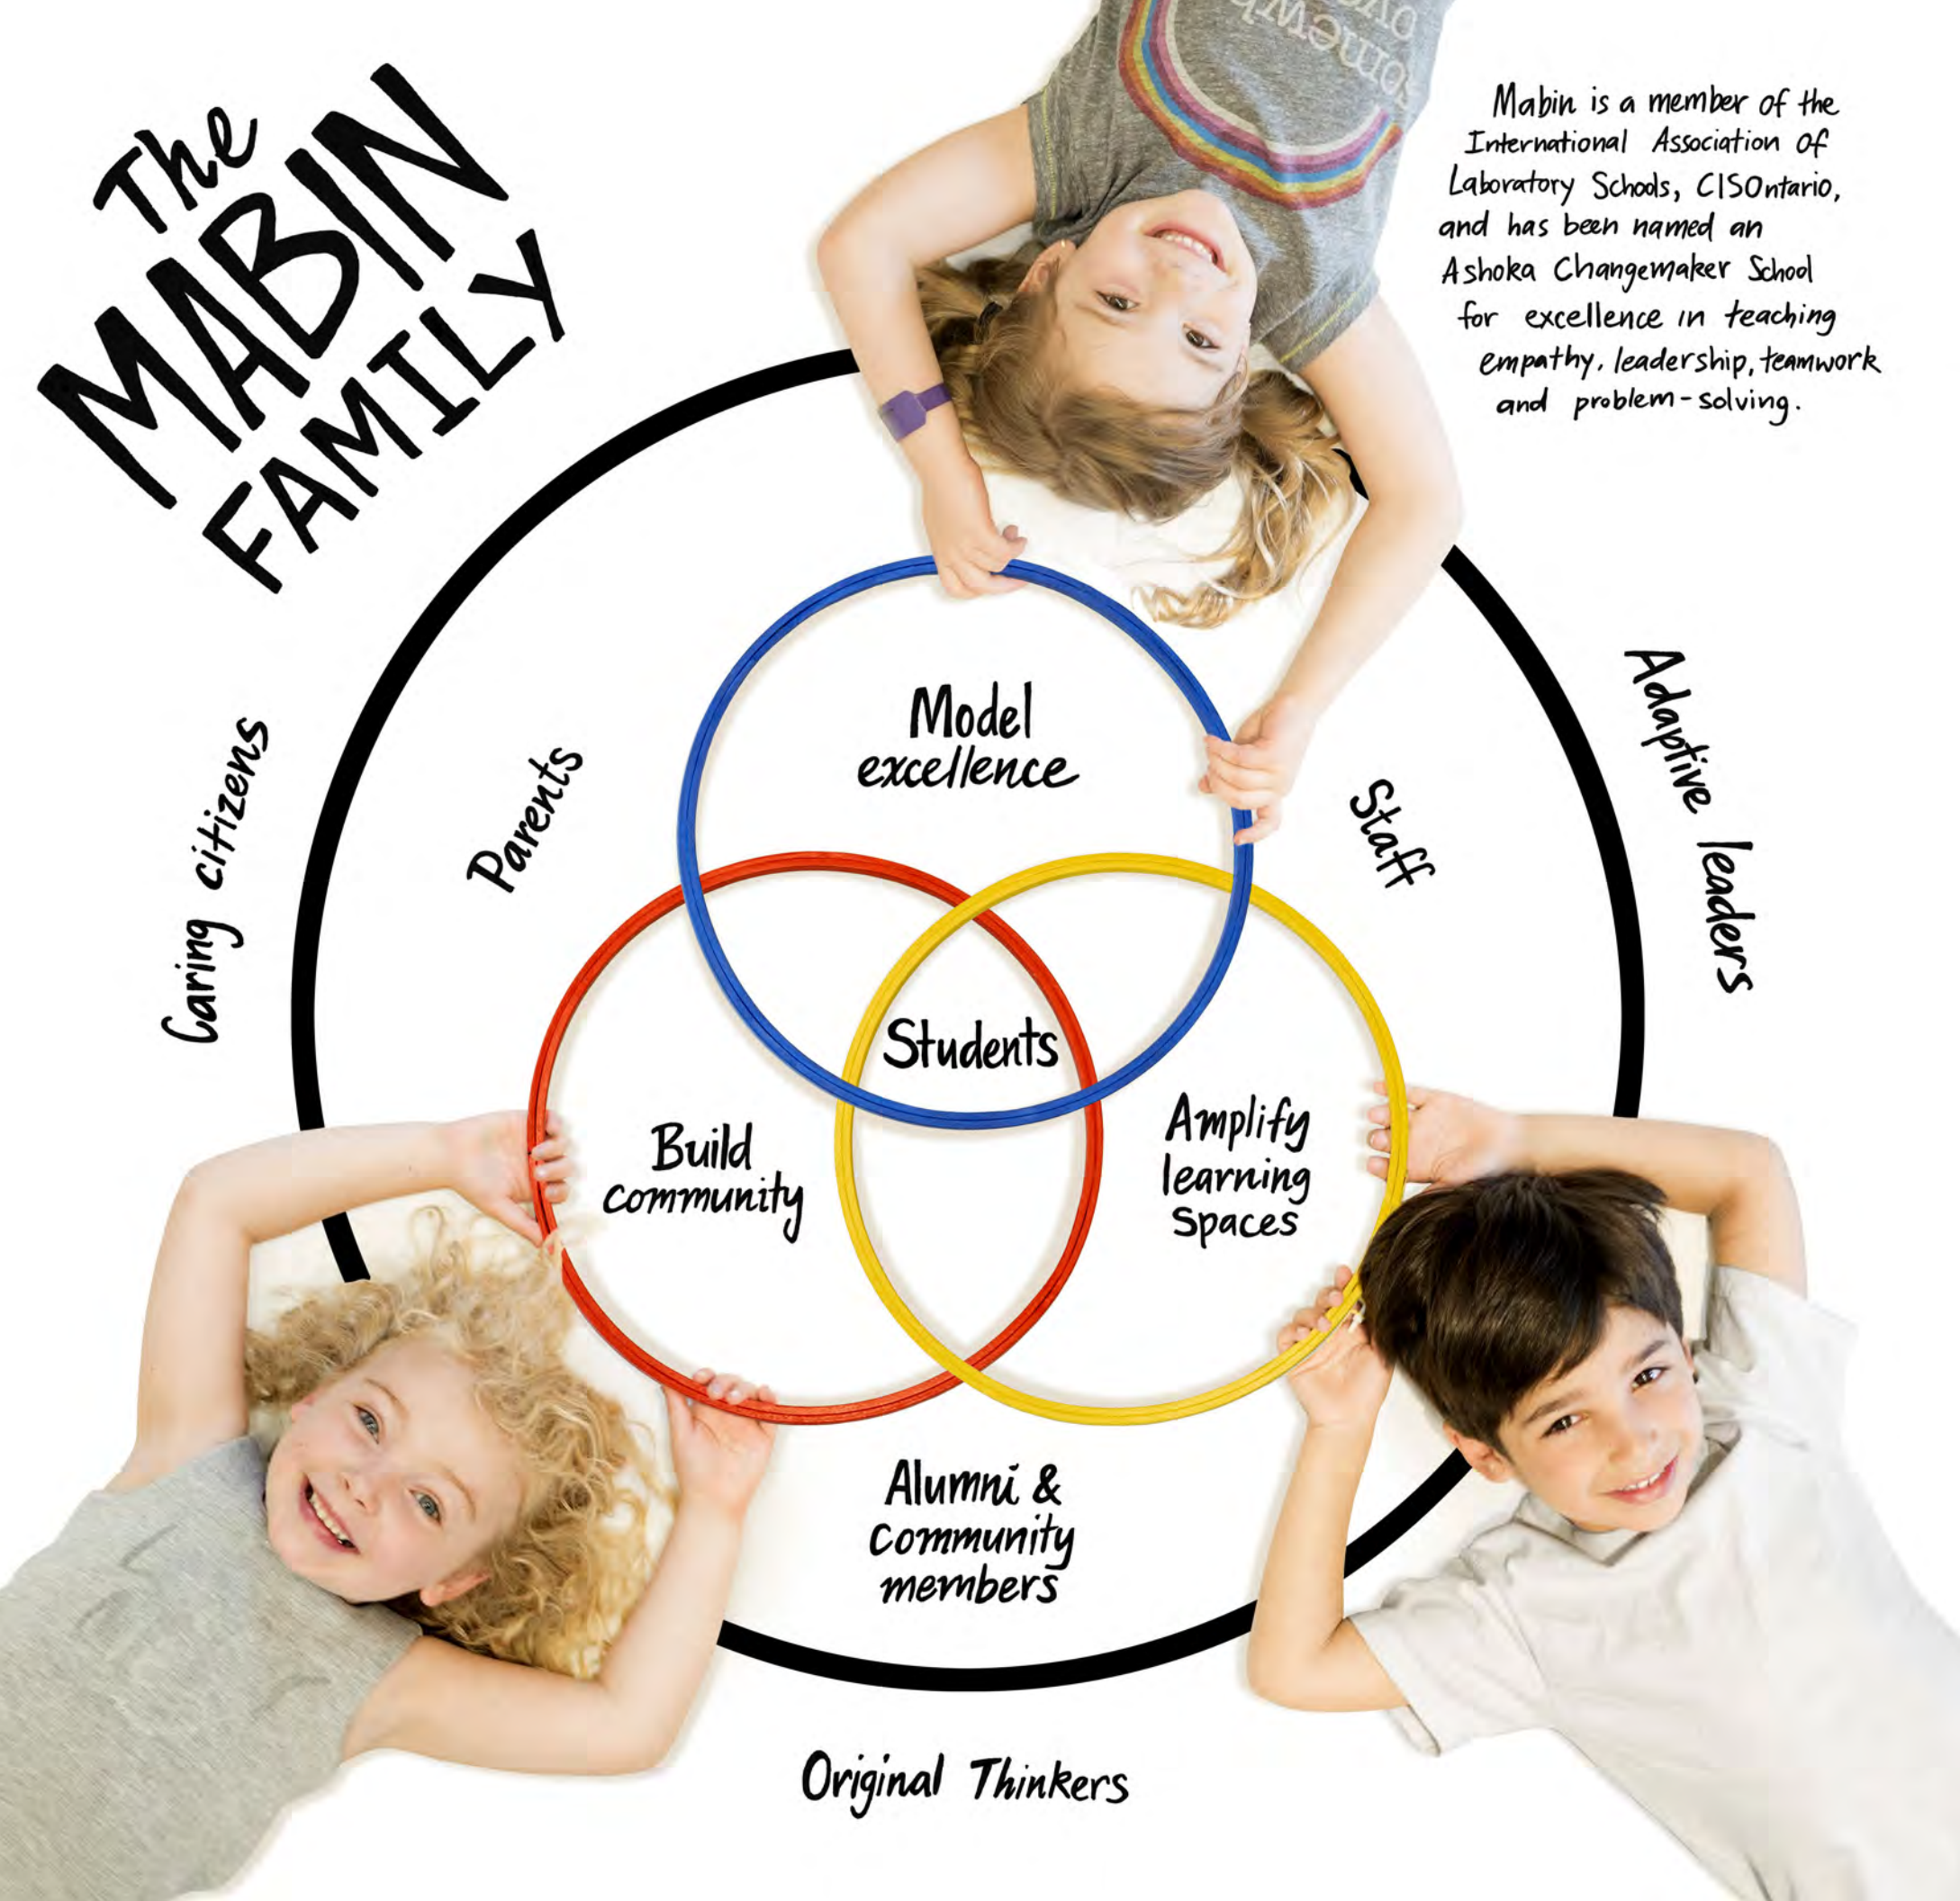

SPACES

- Create a facility improvement plan.
- Refresh current space and add community and green space.
- Launch a capital campaign.

The MABIN FAMILY

Mabin is a member of the International Association of Laboratory Schools, CISOntario, and has been named an Ashoka Changemaker School for excellence in teaching empathy, leadership, teamwork and problem-solving.
