

Our commitment to student-led inquiry: the child is leading us which instills agency, leadership, collaboration and problem solving at a young age.

Our identity as a play-based, relationship-based laboratory of learning where empathy is nurtured and modelled.

Our status as a changemaker school provides a social justice lens and authentic opportunities for our children to engage in the world with a sense of personal and collective power.

Our unapologetic "smallness" enables us to create intimacy and a sense of family.

Our approach with families: to partner with parents in service of their children's full development.

Our Mission

To create the next generation of original thinkers, adaptive leaders and caring citizens.

Our Aspiration

Build the foundation that will enable us to achieve the next level as changemakers and influencers in the field of education and children's mental health.
